DESCRIPTION

BARNES Nantes offers you this very beautiful mansion, completely renovated and ideally located in the heart of the town of Carquefou. On the ground floor, a bright entrance leads to two elegant reception rooms, a small living room, a dining room, a fitted and equipped kitchen with access to the garden, a pantry and a laundry room. The 1st floor consists of four beautiful bedrooms with parquet floors benefiting, on either side, from a bathroom and a shower room. The 2nd floor, for its part, offers an office, a bathroom and three other bedrooms, one of which, with its surface area of more than 36 m², can be considered as a games or sports room. In the basement, a large garage and a cellar complete this exceptional property. If the character and quality of the renovation of this house prove to be real assets, the calm of the landscaped garden which attaches to it and the sought-after location at the foot of shops and schools will only end up seducing you.
